

CERTIFICATE OF CONFORMITY

In accordance with the requirements of the Pressure Equipment (Safety) Regulations 2016, UK Statutory Instrument 2016 No. 1105, as amended.

This is to certify that the Quality Management System of:

Phönix Valve Group GmbH Am Stadtbruch 6 34471 Volkmarsen / Germany

has been assessed against the requirements of Module H of the above Regulations and conforms to the requirements for the products shown below:

Industrial valves

Approval is subject to the continued maintenance of the quality system in accordance with the requirements of the above Regulations for the products listed on the attached schedule.

Authorisation is hereby given to use the Approved Body Identification Number in accordance with the requirements of the specified Regulations in relation to the products as identified above.

Certificate No.: Original Approval: Current Certificate: Certificate Expiry:
